Work is selected by a committee of current artists who review new work when an artist space becomes available. Your application will be kept on file until we have an opening for a space that is appropriate for your type of work ( 2D or 3D) and can schedule a review. You will be asked to come and talk about your work and your ability to contribute your talents to our gallery. The committee chair will call and set up a time for you to come and present 5 original finished pieces to the committee. Work is evaluated on the basis of originality of design, craftsmanship, marketability, and appropriateness for the Tower Gallery.

For consideration of joining the Tower Gallery, I understand the requirements of being a Tower Gallery artist as well as the commitment to a twelve month active participation

(be a year- round resident). Being a Tower artist involves a \$180/month space fee + 2 or 3 shifts per month of operating the gallery. Members also must join a gallery committee and serve in an extra capacity to help with gallery operations.

Attendance at membership meetings is required. The gallery takes a 18% commission from sales. In the event that I should be chosen to become an artist of Tower Gallery, I understand that my work on Sanibel would be exclusive to Tower Gallery and I will not have work in any other gallery or retail establishment on the island except for temporary shows such as weekend shows, temporary exhibits, exhibits in banks, clubs, or temporary one person exhibits. This exclusivity does not include Captiva Island.

I will be able to present myself and my work to the jury committee and will expect a call for an appointment when an appropriate space for my type of work is available.
